May 1998	Bachelor of Science in Finance with an emphasis in Accounting University of Illinois at Urbana-Champaign With Honors

Litigation Consulting Experience

Retained as an expert witness on damages and related topics in matters filed in U.S. District Court, state court, and arbitration. Testified in deposition, trial and arbitration as to formulated opinions.

Conducted complex damages studies involving lost sales, lost profits, incremental profits, manufacturing and marketing capacity, fixed and variable costs, product line profitability, price erosion, reasonable royalty, unjust enrichment, diminution in value, commercial success, prejudgment interest and presumed economic and non-economic loss.

Cases have involved patent infringement, copyright infringement, trademark infringement, trade dress infringement, trade secret misappropriation, misappropriation of confidential information, unfair competition, deceptive trade practices, interference with advantageous business relations, tortious interference, unjust enrichment, fraud, breach of contract, breach of fiduciary duty, breach of duty of loyalty, breach of express warranty, breach of implied warranty, breach of covenant of good faith and fair dealing, dealer termination, defamation, violation of the FCRA, wrongful termination and other types of business disputes.

Industries have included aerospace, agrosience, automotive, bar coding, biotechnology, cable television, call processing, carpet fiber, cellular phones, chemicals, computer networking, consumer products, data aggregation software, e-commerce, electronics, food flavoring, food processing, home appliances, industrial equipment, jewelry, lawn care, media, military equipment, mobile applications, molecular diagnostics, mortgage lending, municipal waste management, navigational devices, oil and gas fracking tools, optical networking, pest

management, pharmaceuticals, power tools, publishing, roofing equipment, semiconductors, smartphones, software, surgical equipment, toys, transportation, USB technology, video gaming and water treatment.

Prepared expert reports reflecting professional opinions in these areas, assisted trial lawyers in developing discovery by analyzing financial issues, developing strategy, preparing interrogatories and document requests, participating in the depositions of witnesses, and preparing demonstrative exhibits for trial.

Other Financial Consulting Experience

Assisted a Chicago-based airport concessionaire with a long-term contract assessment.

Assisted a major consumer products company in the development of intellectual property strategies and performed various analyses in connection with its intellectual property portfolio including a patent portfolio analysis, a licensing analysis and a competitive assessment.

Aided in discovering and determining the value, importance and future potential of all technology, research and development projects, equipment and other intellectual property held by an international pet food manufacturer and distributor for purposes of tax liability in its acquisition by an international consumer goods company.

Analysis on asset distribution and expense tracking in a high net worth divorce.
